February 3, 2004

SUMMARY OF BILL: Allows the Director of Schools to hire non-licensed employees as permanent employees or for periods longer than one year. Present law provides that all persons who are employed in a position for which no teaching license is required shall be hired on a year-to-year contract.

Increase Local Govt. Expenditures - Not Significant

Assumes no significant increase in local government expenditures to extend the period a non-teacher employee is employed. Current law already allows such persons to be employed for longer than a period of one year if they are employed on a year-to-year contract for several consecutive years.
